MEMORANDUM FOR: Executive Director-Comptroller

SUBJECT : Administrative Adoption of Death and Retiree
Travel Benefits for CSRS Participants

REFERENCE : Memo, dtd 23 Jun 70 to DDS fr General Counsel
Subj: Administrative Adoption of Statutory Benefits

1. This memorandum is for your information.

2. By separate memorandum dated 29 June 1970, I am recommending you administratively adopt for CSRS participants the identical authority now applying to CIARDS participants respecting death and retirement travel, effective 30 June 1970. In discussing this matter with you on 25 June 1970, I mentioned that we have a sizeable number of people retiring this June under the CSRS. It would be proper and equitable for those among that group who plan to move upon retirement to a new location, as well as for future retirees under the CSRS, for the Agency to help defray the cost of shipping their household effects and transporting their families to the new point. As with retirees under the CIARDS, we would authorize payment of expenses to a point within the United States, its possessions or the Commonwealth of Puerto Rico.

3. We have examined our records of mandatory retirements and estimated the potential retirees (voluntary, discontinued service, disability, and death) under the CSRS with the following results:

June 1970	45
July 1970	65
August 1970 - June 1971	<u>250</u>
Total	360

4. We have reviewed our [REDACTED] move experience with retirees under the CIARDS over the past year with the following results:

25X1A

25X1A

No. who retired [REDACTED]	159
No. who made a domestic move	38 (25%)
Average cost per move	\$1,500.00

SECRET

SECRET

5. From the above we estimate that the additional cost to the Agency from June 1970 through June 1971 would be as follows:

No. CSRS retirees who will make domestic move	90
Average cost per move	\$ 1,500.00
Total estimated cost	\$135,000.00

MEMORANDUM FOR: Executive Director-Comptroller

SUBJECT : Administrative Adoption of Statutory Benefits

REFERENCE : Memo dtd 23 Jun 70 to DDS fr General Counsel

1. Paragraph 3 of this memorandum contains a recommendation for your approval.

2. In referent memorandum the General Counsel has stated there would be no legal objection to the Agency extending to retirees under the Civil Service Retirement System the same retiree and death travel benefits as are now provided for retirees under the Central Intelligence Agency Retirement and Disability System. The General Counsel makes the point that there is an apparent inequity in not granting retirees under the CSRS who are stationed PCS in the United States the travel benefits earlier approved for those under the CIARDS.

3. It is recommended that you determine it to be necessary for the proper administration for all employees of the Agency to extend to retirees under the Civil Service Retirement System the same travel benefits as are now provided for retirees under the CIA Retirement and Disability System, under the authority delegated to you by the Director of Central Intelligence on 5 October 1967. It is further recommended that your approval apply to any such Agency employees who retire on or after 30 June 1970.
